

# Doing Good Work

For over 130 years, Granda has continued the mission of its founder, serving the Church worldwide by producing works of art and beauty to inspire the faithful for generations. Granda strives “to use art in the same way we use language, to speak and teach Christ”—to evangelize through beauty. The liturgical art produced by Granda is made through a collaborative process from initial concept all the way through its physical creation. Granda consultants, designers, and craftsmen work with parishes to create art—be it a chalice, tabernacle, sculpture, monstrance, vestment, or other piece—to match the style and beauty of the worship space that it will inhabit.
